

ACCIDENT & INVALIDITY

WHO ARE COVERED? You, the (authorised) driver, your insured family members or passengers of your motor vehicle. (Only persons between 5 and 70 years are insured)

WHERE ARE YOU COVERED? The insurance is valid in Aruba, Bonaire and Curaçao.

WHAT IS COVERED? We pay you an amount or reimburse costs (according to the table "accidents and compensation") in the following cases:

- As victim of a (traffic) accident you are entitled to compensation when you or an insured person as a consequence of this accident incur bodily injuries and become permanently disabled;
- As victim of a (traffic) accident you are entitled to reimbursement of expenses when you or an insured person as a consequence of this accident is in need of necessary medical or dental treatment.

ACCIDENT As an accident we consider a sudden exterior violent event that affects your body or the body of an insured person (while you or the insured person were in the vehicle), which is the direct cause of bodily harm that can be medically ascertained.

Also we consider as an accident:

- Acute poisoning, except when this is caused by the use of medicine, stimulants, intoxication, anesthetics, arousing drugs or the ingestion of allergens;
- Contamination by germs, or an allergic reaction as a direct consequence of an involuntary fall in the water or another kind of substance. When an insured person comes into contact with water or another kind of matter when saving a person or an animal, this will also be considered as an involuntary fall;
- The unwanted and sudden intake of substance or objects in the ingestion tract, respiratory tract, ears or eyes, which causes bodily harm, except for the intake of pathogens;
- Spraining, dislocation and rupture of muscle tissue and ligaments. These injuries must have originated suddenly and must have been medically ascertained;
- Suffocation, drowning, freezing, sun stroke and heat stroke;
- Exhaustion, starvation, thirstiness, as a consequence of unforeseen circumstances;
- Wound infections and blood poisoning as consequence of an accident;
- Complications or worsening of the injuries of the accident, as a direct consequence of medical treatment.

DEDUCTIBLE There is no deductible.

MAXIMUM AMOUNTS PER ACCIDENT**We compensate**

The amount of ANG. 75,000,- per car in case of permanent total disability caused by an accident. The sum insured per insured person is the sum insured per car divided by the number of occupants.

In case of partial permanent disability, the grade of permanent disability will be determined in accordance with the table "ACCIDENT & COMPENSATION". This includes the percentages per type of permanent disability. This is the percentage of the insured sum that is paid out per insured, calculated as indicated above.

In case of medical and dental treatment, for any insured person under 70 years an amount not exceeding ANG. 500,- is available. The compensation of the medical and dental expenses depends on the charged expenses for the treatment of the consequences of the accident. The charged medical and dental expenses will only be compensated if they cannot be claimed elsewhere.

DEATH

WHAT IS COVERED?

As victim of a (traffic) accident you are entitled to reimbursement of expenses when you or an insured person dies as a consequence of this accident.

DEDUCTIBLE

There is no deductible.

MAXIMUM AMOUNTS PER INSURED PERSON**We compensate**

In case of decease as a consequence of an accident, the amount of ANG. 25,000,- as listed on this policy. The sum insured is per car. The sum insured per insured person is the sum insured per car divided by the number of occupants. The compensation will be remitted to the husband/wife or partner of the deceased insured person who lived together in a family relation during the accident or the legal heirs.

Note that the death compensation for persons under 18 years of age, at the time of the accident, will be limited up to 10% of the above mentioned insured amount.

HOW IS DECEASE DETERMINED AND COMPENSATED?

If an insured person has died as a result of an accident, a medical adviser will determine this death, as far as possible within 2 years after the accident.

We determine the right to compensation and remit this directly to the entitled person.

ACCIDENT & COMPENSATION

HOW IS PERMANENT DISABILITY RESULTING FROM AN ACCIDENT DETERMINED AND COMPENSATED?

- The grade of permanent disability determined by the medical advisor, based on a recognized permanent state of the insured person, whenever possible within 2 years after the accident.
- The profession and occupation of the insured person have no influence on determination of the grade of permanent disability.
- The grade of disability will be determined, only after it can be expected there will not be changes in the grade of disability.
- We determine the damage and remit the corresponding compensation directly to the entitled person.

Determination of the percentage is done according to the following table.

Complete loss (of function) of	Percentage of compensation

HOW IS PERMANENT DISABILITY RESULTING FROM AN ACCIDENT DETERMINED AND COMPENSATED?

In case of Whiplash syndrome with objectively demonstrable neurological/ neuropsychological deficits and/or objectively demonstrable vestibular Deviation to be determined by Medical Advisor
5-15%

- In a case of partial loss (of function) of one or more of the mentioned body parts and organs, a corresponding part of the compensation will be granted.
- In a case of total loss (of function) of more than one finger of a hand, the compensation will not exceed the compensation for loss of a complete hand.
- In the cases not mentioned in the table of "accidents & compensation" we determine the percentage of permanent disability based on the advice of our medical advisor and taking into account the medical investigation.
- The percentages stated in the table will be decreased if the permanent disability is worsened by infirmity and (physical) defects that already existed before the accident.
- If within one year after the accident the grade of permanent disability has not been determined, we will compensate the legal interest on the payable amount, starting the 366th day after the accident. The interest will be paid out together with the compensation for permanent disability.

WHICH POINTS OF INTEREST ARE VALID WHEN YOU CLAIM THE ACCIDENTS INSURANCE?

- You, the insured person or entitled person have to comply with the instructions of the medical practitioners in charge of the treatment. If you don't follow these instructions and this does damage to our interests, we will not grant the compensation.
- You, the insured person or entitled person ask the doctor or the medical specialist to give information about the cause of death or treatment if this is required by the medical advisor.
- You, the insured person or entitled person cooperate to request the information we or the medical advisor consider necessary related to a claim on the accidents insurance.
